## Scour the Parks for Sasquatch: The Sequel

Attention all citizens: A Sasquatch has again been spotted in Bloomington!

It seems he had such a great time visiting here last year, he decided to spend his vacation in Bloomington this summer, too. Since he heard how much fun everyone had tracking him through his photo album, he contacted Bloomington Parks and Recreation to help him set up a treasure hunt spread out across city parks and facilities. He is offering an even better reward this year for anyone who manages to complete the hunt by following the clues he has left behind. As an extra

incentive, he is offering a special bonus reward to the person or team that completes the hunt first. Register to join the search and pick up your photo packet at the Parks and Recreation office inside City Hall, 401 N. Morton St., Suite 250.
